CERTIFICATES OF ELECTION

Sent Out by the I. O. O. F. Grand Lodge.

SUCCESSFUL CANDIDATES

Of the State of Ohio Notified by Grand Secretary.

A Number of Local Lodges Hold Meetings at Which Time Routine Business Only is Transacted.

C. H. Lyman, grand secretary of the I. O. O. F. of Ohio has finished forwarding certificates of election to the successful contestants at the annual election held last November. The vote made John L. Sullivan, of St. Marys, grand master; Louis B. Honck, of Mt. Vernon, former secretary to the late Governor J. M. Patterson, deputy grand master; Frank Foster, Toledo grand warden; C. H. Lyman, Columbus, grand secretary. C. E. Niles, Findlay, grand treasurer; George B. Korb, Cincinnati, grand representative.

Canvassing of the votes cast at the election of the grand encampment showed that George W. Stough of Toledo, is grand patriarch; W. J. Emmons, Sidney, grand high priest; S. W. Courtright, Circleville, grand junior warden; F. C. Garrett, Dayton, grand scribe; J. H. Hart, Cincinnati, grand treasurer; A. R. Stocker, Mansburg, grand representative. Emma M. Bell, of Columbus, secretary of the Ohio Rebecca assembly, has certified the election of these officers: Nora B. Kagy, Findlay, president; Mamie Bechtel, Canton, vice president; Myrtle Conover, Dayton, warden; Emma Bell, secretary. Mary Davis, Toledo, Treasurer. As there were no nominations, there was no election to the office of senior warden. This place will be filled by an election at the next grand encampment in July at Toledo.

Lima City Council met last night and conferred the degree of the order on two candidates. About fifteen members of the Galion lodge were present at the meeting on the invitation of the local lodge. After the degree work had been disposed of a fine banquet was served and a number of addresses were made by members of the local lodge. Several replies were made by the visitors.

The affair was one of the most enjoyable in the history of the lodge and it is probable that a number of the members here will make arrangements to pay a return visit to the Galion chapter.

A regular meeting of the Catholic Ladies of Ohio was held Tuesday evening, but nothing aside from routine business was transacted. The society will remain in a state of inactivity from now until the close of the Lenten season.

Soanowski Lodge of Rebekahs at the regular meeting held last night transacted considerable important business. Several applications for membership were received and arrangements made for initiatory work at the next regular meeting. There was a fair attendance.

The Ladies of the G. A. R. held a well attended meeting in the halls Tuesday afternoon. Aside from transacting the usual run of business initiatory work was taken up and the membership degree conferred on one candidate.

An interesting meeting of Marion Council No. 62 R. A. M. was held Tuesday evening and the Marked Masters degree conferred on one

candidate. Other than this only routine business was transacted.

The American Insurance Union will hold a masquerade social in the lodge halls Thursday night. All the members and friends of the order are expected to be present.

A small amount of business was transacted by the Knights of Columbus at a regular meeting held Tuesday evening.

Only the regular business was attended to at a meeting of Canby Lodge, No. 51, Knights of Pythias last night.

Mrs. E. Inskeep of North Lewisburg is Injured

Mrs. E. Inskeep, of North Lewisburg, fractured both bones in her right wrist at noon Wednesday, by slipping and falling on an icy pavement in front of Mrs. Jennie Thomas' millinery store on West Center street.

The injured woman was taken in to Mrs. Thomas' store, where Dr. C. T. Want was summoned and adjusted the fracture. Mrs. Inskeep was subsequently taken to the home of Mrs. William Dobbins of Wallace street, where she is a guest.

REVIVAL SERVICES

Largely Attended at the First Presbyterian Church

There was a large attendance at the revival services held last night at the First Presbyterian church. A stirring discourse was delivered by Rev. G. M. Bourke, pastor of the church. Another meeting will be held tonight and a big congregation is expected to attend.

FLAT TWO-CENT PASSENGER RATE

May be Adopted Throughout C. P. A. Territory.

Indiana and Pennsylvania are Evidently Ready to Follow Ohio Movement.

Several Cleveland passenger officials announced that they believed that a flat 2-cent passenger rate will be adopted throughout the entire Central Passenger association territory in a short time.

They base this belief on the feeling that the pending 2-cent legislation in Indiana and Pennsylvania will surely be enacted, in which event, 2 cents a mile will be the highest legal passenger rate in the entire territory of the association except a small strip in New York, and a distance of about twenty miles in Illinois. If the 2-cent laws are adopted in Indiana and Pennsylvania the local officials believe that the rates in the New York and Illinois portions of the association's territory would immediately be reduced in order to make the rate in the whole territory uniform. As a result of this belief most of the Central Passenger association lines are now engaged in figuring their rates for that territory on a flat 2-cents a mile basis.

"I am convinced," said B. F. Horner, general passenger agent of the Nickel Plate "that a flat 2-cent rate in Central Passenger association territory is bound to come in a short time. We are now figuring our rates on that basis in order to have as much of the work completed as possible when the 2-cent rate goes into effect."—Plain Dealer.

JURY AWARDS RILEY DAMAGES

Against Pennsylvania in the Sum of \$1507.74.

PROBATE COURT ORDER

Issued Turning Legacy Over to Children's Home.

C. W. Hensel Files Answer to Petition of Arminta Morrow Who is Suing the Shrote Estate.

When Judge Babst was christened he was given the name of Daniel. His father was well and favorably known as Dan Babst, Sr., and the son adopted the signature of Dan Babst, Jr. After attaining manhood he was engaged in many and varied enterprises where this form was used and after his father was called to rest the complications of these business transactions made it necessary to retain the style for a time. When the affairs of the estate were settled, Mr. Babst resumed the full name by which he was christened—Daniel Babst. The shorter name is still used by a host of his friends, to whom any other form does not seem right, but properly speaking the new jurist is Judge Daniel Babst.

All the evidence in the case of Thomas Riley against the Pennsylvania railroad company, had been submitted to the jury and the arguments were made in the case Wednesday morning, the jury retiring for deliberation immediately after dinner Wednesday.

Riley sues to recover \$1,999.29 for injuries sustained about three years ago on the company's right of way in Upper Sandusky. He fell into a trench and broke a leg which has left him with a stiff knee and it is claimed that this incapacitates him from performing manual labor for the remainder of his life.

Scotfield, Durfee and Scotfield represent the plaintiff and L. B. McNair of this city and Wellington Hare, of Upper Sandusky, the defendant company.

After being out one hour the jury returned a verdict in favor of the plaintiff for \$1570.74.

Through John H. Clark, C. W. Hensel Wednesday filed an answer to the petition of Arminta Morrow against him as executor of the estate of Mrs. Julia Schrote. The plaintiff claims there is due her a sum in excess of \$500 for services performed prior to and during the illness of Mrs. Schrote. Hensel as executor rejected this claim and she sued to recover. The answer is a general denial of the statements contained in the petition and asks that the petition be dismissed.

Probate Judge Foster Wednesday issued an order turning over to the trustees of the Wadsworth Children's Home the sum of \$1,000, which was bequeathed to that institution by the will of Miss Emma Irmer, who died about one year ago. The money is to constitute an endowment fund. The trustees have never made application for this money until recently and the court has now ordered it turned over.

An interesting jury trial is in progress in Justice Conley's court today. Charles Miller, a plasterer, sues Arthur Cook for \$15.00, the balance he alleges to be due for plastering a house. Cook claims that the job was a very poor one; that the lath showed through the plastering and refused to pay this amount. Crissinger & Guthery represent the plaintiff and Jacoby and Donithen the defendant.

Through Crissinger and Guthery, their attorneys, George Everett, John D. Guthery and William Os-

The case of Willis Y. Root against Walter T. Withoft, was set for trial Wednesday afternoon. Root sues Withoft for \$236 which he claims he was compelled to pay as surety on a note on which Withoft was principal.

ASHLAND PROVED AN EASY VICTIM

Local High School Wins by a Score of 30 to 21

Strelitz for Marion Played a Great Game Securing Seven Baskets in Last Few Minutes

In one of the fastest games of basket ball that Ashland sport had been privileged to witness in many months, the local high school basket ball team defeated the championship team of that place Tuesday night, by the score of 30 to 21.

The scene of the contest was the Ashland armory which was crowded to its capacity with enthusiastic rooters who expected Marion to be an easy mark. The local aggregation was evidently at their best for their team work was superb and baskets came easy at all stages of the game.

The work of Strelitz, left forward for the locals was the feature of the game. He practically won the game for Marion, throwing seven baskets in the last few minutes of play. The Ashland team was heavy, fast and rough and put up a clever article of ball. The Marion team lined up as follows:

Ross and Mouser guards; R. Mickle, center; Sells and Strelitz, forwards. Referee Cass Ireland of Marion. Time of halves, twenty minutes. Attendance 400.

EPWORTH LEAGUERS OF EPWORTH CHURCH

Hold an Enjoyable Social on Tuesday Evening.

A Fine Musical Program and Valentine Box were Features of the Evening.

The Epworth League of Epworth M. E. Church held a highly successful social in the church basement last night. The affair was attended by more than one hundred of the Leaguers and their friends and proved one of the most pleasing social functions held by that organization in a long time.

Preceding the social proper, an informal musical program was rendered. Mr. Homer Waddell rendered a pleasing violin solo, accompanied by Miss Jessie Lippincott. A vocal solo by Harvey Martin, with violin obligato by Miss Ethel Finley, was produced in a credible manner. The program closed with two well played piano duets by Miss Mattie Meredith and Miss Grace Munson.

The principal social feature of the evening was a valentine box, in which the guests placed comic valentines addressed to some particular friend. The valentines were delivered by special carriers. A concluding feature was an auction sale in which the ladies sold their hearts (proper ones).

The success of the social was due to the consistent efforts of Miss Grace Munson, president of the social department of the league.
